

EFFECTIVE PEER WORKFORCE INTEGRATION

WHAT ARE THE BARRIERS AND WHAT WE CAN DO

BARRIERS	STRATEGIES
Unrecognized research-based benefits of peer service	Build on evidence base for peer recovery services
Lack of clarity on the peer role	Prepare both peers and organizations for peer workforce integration in newer work settings Create mechanisms for interdisciplinary dialogue and collaboration
Stigma towards peers	Enhance education and advocacy on peer role and approach Support peers through peer-delivered supervision
Poor unstable funding	Spur greater financial security for peer positions
Lack of centralized coordination for the peer profession	Develop entities and initiative to provide unified support for peer workforce integration
